# wear blue: run to remember®

For the fallen. For the fighting. For the families.

## *Make Memorial Day Your Mission!*

Monday, May 25, 2020

PROGRAM DETAILS: This Memorial Day, wear blue: run to remember invites every American to join us in honoring fallen service members and their families' sacrifice. We recognize this year may be different - but we're all committed to making sure it's no less impactful.

The atypical circumstances of 2020 will not prevent us from achieving our mission on Memorial Day – to honor our nation's fallen by learning their stories, speaking their names and honoring their legacies. We invite you, your families and friends to join us, virtually, in honoring our fallen service members and their families' sacrifice. In partnership with our friends from Team Red White and Blue (RWB), our goal is to have all 7,026 service members, who have died since 9/11/2001, to be memorialized by having their name read aloud somewhere in the world, and through active, purposeful steps of a run or walk.

Therefore, you will no longer see any location as a place to register. Instead we encourage you to run wherever you feel comfortable. A local park, trail, neighborhood or just outside your door. You will still be given the name and story of a fallen hero and you can now print out the bib for you to wear. We ask that you still speak your hero's name on Memorial Day, using your purposeful steps as a living memorial for the fallen.

Please consider being a part of this special day to honor our fallen heroes by registering at: [wearblueruntoremember.org/memorial-day](http://wearblueruntoremember.org/memorial-day)

Once you sign up, wear blue will contact you directly with the information needed for your run. More information will be forthcoming after the first of May.

## Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same - the value we place on the mothers whose sacrifices, commitment, and unconditional love enables families across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

John Ehle  
President
