

COMMUNITY SPOTLIGHT

Our President's Message

Welcome Roger Moore!

Roger Moore is joining our team as the Maintenance Manager at Patrick Family Housing. He had the honor of serving in the United States Air Force for 10 years as a Civil Engineer electrician. He traveled the world! A few places he was stationed were Japan, England and Korea. He was used to moving around as his father was also in the Air Force. Satellite Beach was the place he called home because graduated from Satellite High! Go Scorpis! He lives in the area with his wife and kids and "looks forward to being a part of an already successful team here at Hunt."

I am pleased to announce that for the third year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and

awarded \$30,000. Because of the generous donations we received over the past year, we are able to increase scholarship awards and recognize 15 recipients and award \$40,000 in scholarship grants in 2021. I encourage you to apply if you or a loved one meet any of the following criteria: A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two or four-year college, university or vocational school or a trade school student; or Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year. For more information and to fill out an application, go to <https://learnmore.scholarsapply.org/huntheroesscholarship>. The deadline to submit a nomination is March 4, 2021 at 3 pm CST or until 50 applications are received, whichever comes first. We understand the challenges many families are facing during these difficult times and are happy to be able to support the ongoing education of military members and their families.

Best,

John Ehle  
President  
Hunt Military Communities

Maintenance Tip of the Month....

A running toilet can waste 4.5 gallons per minute, 300 gallons per hour or 6,480 gallons of water per day! If you hear your toilet water running continuously, be sure to call in a work order as soon as possible to prevent water waste. A running toilet is usually a quick and simple fix!

Please call our office at 321-613-3810 or 321-779-9785 with any questions or concerns.
