Our President's Message

Welcome Janene Ford!

Janene grew up in Muskogee, OK and later moved to Jacksonville FL! She met her husband and joined the proud group of Military Spouses. Her husband has served 28 years in the US Navy and soon to retire.

She has raised 4 beautiful girls and now has 5 beautiful grandchildren (4 boys and 1 girl). Marriage to Johnny grew her family to 4 additional children and 3 more grandbabies (2 boys and 1 girl). She has a full family and prays that they never get the honor of all of them being in their home at the same time! She can only imagine that being a great time.

Janene has her BSA and is currently working on her MBA. Although she doesn't have any pets at this time, she does enjoy animals (dogs) and being outside with nature.

She brings with her 7 years of MHO experience, and working with Navy families. She enjoys working with military families and the camaraderie of getting to know the families and the history behind their journey or path in the military.

Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods, along with the myriad other challenges military families face.

We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. To recognize military children, we have launched our 2nd annual "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short caption may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. We will select the top three submissions and give a cash prize to each. Applicants can visit <https://learnmore.scholarsapply.org/huntheroesscholarship/> to see if they qualify, and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

John Ehle

Maintenance Tip of the Month....

Keep your Garbage Disposal smelling nice! To help try to rid the interior of any grease build-up or other material, toss a few ice cubes in the disposal and run it until they are chopped and gone. You can also periodically take a lemon or orange peel and put it down the drain. The oils and juices from the fruit will help clean the walls of the disposal and leave a fresh scent.
