PATRICK

HUNT MILITARY COMMUNITIES

COMMUNITY SPOTLIGHT

Welcome Angelo Waddy!

Angelo joined the team as the Military Housing Inspector for Patrick Space Force Base. He is an Air Force veteran who served six years as an electrician in the Civil Engineering Squadron. His travels took him around the world to Alaska, Guam, Kuwait and California. He is originally from Little Rock Arkansas.

After moving to Florida with his wife, he worked 7 years as an electrician, crane operator, and crawler transporter technician with NASA. In his spare time, he enjoys fishing with his 3 kids and coaching his son's flag football, baseball and basketball teams. His passions also include working on cars. Right now, he's restoring his '96 Impala SS with dreams of one day owning a '72 Chevy Chevelle.

His role as the Government Housing Inspector is to work with the residents to ensure their needs are met in regards to maintenance work orders. He works hard to ensure our residents have a good quality of life while living here at Patrick. He enjoys getting to know the residents, learning where they're from and sharing his favorite local spots to visit. Be sure to say Hi and give him a wave when you see him in the neighborhood.

Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide, and especially the dependent children of military members serving at home and overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and

some have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Best,

John Ehle
President
Hunt Military Communities

Maintenance Tip of the Month....

Did you know how important your Air Filter is to your HVAC system running optimally and breathing cleaner air in your home? Air Filters are changed every 90 days with quarterly Preventative Maintenance, BUT you can request an Air Filter every 30—60 days if needed. Request a porch drop off or routine work order through the Hunt Resident Portal or call our office staff at 321-779-9785.
