Our President's Message

This month, we will officially welcome summer, celebrate graduations, and honor fathers on Father's Day. It is also a time to prepare for PCS season and the moves many will be facing. We know all too well the stress and anxiety that come with moving. One of our goals is to help families feel a sense of community and to

understand their new community, the place they will call home. Hunt Military Communities offers a host of information aimed at making the transition seamless, as well as programs addressing deployment, family crisis, and special services. The Hunt Heart Program is designed to help our families when they need it most. If you are not familiar with this program, I invite you to visit your community website or huntmilitarycommunities.com to learn about these special services. Additionally, each community has a Resource Guide listed under Resident Services that will help to acclimate our families to some of the many services your specific community offers. Thank you for choosing to make your home at a Hunt Military Community, and I wish you a safe and healthy start to summer and PCS season.

Best,

John Ehle
President
Hunt Military Communities

Maintenance Tip of the Month....It's that time of year for Hurricanes! Are you prepared?
