HUNT MILITARY COMMUNITY

"Helping Heads Initiative"

Our President's Monthly Message

Food Drive Reminder: Our food drive will be ending on Monday, 4 October. If you would like to donate any non-perishable food items, you may

drop them off at the on base office, before COB Monday. If you need someone to pick up your donations, we ask that you place them on your porch on the 4th & call the office to sign up for pick-up.

Thank you to everyone who has already donated!

October Events: *Current Residents only*

As we welcome fall we look forward to cooler weather, children settled into school and football. It is also a time when Hunt Military Communities launches their annual Hunt Helping Hands initiative. This year we have once again organized a food drive in support of our military families and food insecurity. Data we have received indicates many military families face this challenge and could use additional support. Details about your communities food drive will be emailed, posted on social media, and cards left at each door. We are partnering with various groups on base who

may have resources for distribution and we are also working with a local food bank closest to your community. Our goal is to make sure our families are taken care of and those in need receive the resources they need.

Additionally, Hunt Military Communities is excited to collaborate with Hire Heroes USA to assist military service members and their spouses and meaningful careers upon completion of their military service. Our donation will fund career transition services for veterans, military spouses, and transitioning service members. We will also collaborate with them to source more military veteran and spouse talent for our teams. More to come on this fantastic opportunity to assist those needing career advisement and services. Thank you for allowing us to serve you.

Brian Stann
CEO
Hunt Military Communities

Maintenance Tip of the Month....

How to properly use your garbage disposal.

- **Turn on the cold water for 15 seconds**
- **With the cold water running, turn the disposal on and slowly put a small amount of food scraps into the disposal**
- **When the grinding has stopped, turn the disposal off**
- **Run the water another 30 seconds to clear the disposal and then turn the water off**
