Dear Hunt Military Communities Residents,
Happy New Year!

Hoping this finds you well after the holidays and ready for 2022. At Hunt Military Communities, this is a time for our teams to reflect on the past year and prepare for what I know will be exciting changes coming for our residents. In 2022, HMC will strive to meet and exceed the needs of our residents by focusing on several key areas. Our main area of concern is your Resident

Experience and the delivery of service by our team. Focus groups will be utilized at many communities so that we can better understand any perceived shortcomings and actively seek to improve our service to you. We are committed to the long-term health of our communities and by continuing to develop programs and services that benefit our residents, we hope to see our communities continue to flourish. Please stay tuned for updates on these, and other, programs.

Again, Happy New Year and best wishes for a happy, healthy, and successful year!

All the best,

Brian Stann
