The most creative tip will win a special prize! We can't wait to see your ideas and share your tips next Month for Earth Day!

Dear HMC Residents,

This month the Hunt Heroes Foundation, in partnership with Hunt Military Communities, will be launching their third annual Hunt Little Heroes program. This program is aimed at highlighting the extraordinary military children who serve our communities in thoughtful and meaningful ways. If you know of a military child aged 4-15 who works to make the community where they live a better place, please encourage them to apply to be a Hunt Little Hero. All applicants will receive a special commemorative coin and hero cape. Three outstanding children will be awarded a monetary gift along with the opportunity to have a matching award presented to the charity of their choice. Applications open March 15, 2022 and run through April 15, 2022. For more information, please visit [huntheroesfoundation.org](http://huntheroesfoundation.org). As we usher out winter and welcome the warmer days of spring, I wish you and your family the very best.

Sincerely,

Brian Stann

We Want to Hear  
From You.

Hunt Military Communities is introducing a new way to share your feedback. Through the **Hunt Residents' Feedback Loop**, you can share your thoughts, *at any time* through an online survey.

We are always looking for ways to strengthen and serve our communities. That's why we collaborated with the Military Family Advisory Network (MFAN) to build a feedback loop so we can hear from you. As a resident, this feedback loop provides you the opportunity to share your housing experiences directly with MFAN, confidentially. MFAN will then share its findings regularly with leadership at Hunt Military Housing.

We want to ensure we're serving you the best we can while stationed in our communities. Your voice matters to us.

**Don't forget:** bookmark the survey link so you can provide responses any time you need.

Maintenance Tip of the Month...

Have you checked your sinks and faucets for drips recently? What about your toilet running? Letting these things go unreported can cause **higher than normal water usage**, so please be sure to submit a work order with us for any concerns.

Do you have any bulk trash that you need to get rid of? **Bulk trash picks up each Thursday** and items can go out as early as Wednesday at 1700 for pick up the following day!

**Sea Turtle Nesting Season is almost here**—are your porch lights ready? Please be sure that your amber lights are working and submit a work order for new lights if needed. Lights Out starts May 1st through November 1st.
