Our President's Monthly Message

Dear HMC Residents,

This month we officially welcome summer, celebrate graduations, observe Father's Day, and prepare for PCS season.

Congratulations to all of our graduates. Whether you are graduating college or kindergarten, taking the next step in your educational career, and in life, is important and should be celebrated!

We want to ease the burden and stress that often comes with moving, and one way we can do this is to ensure we are providing clear communication, answering questions, and walking you through the process. You are encouraged to reach out to your Resident Service Specialist once you have received orders so they can guide you through every step.

On behalf of Hunt Military Communities, I wish all of our fathers and father figures, a Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

Semper Fidelis,

Brian Stann, President and Chief
Executive Officer Hunt Military

Maintenance Tip of the Month....

In the event we do have to evacuate, make sure to unplug electronics around your house, bring everything you have unsecured outside your home inside, and check in with your renters insurance provider.

Sea turtle season is in full swing! Don't forget if you have lights on in your home to close your blinds, and any exterior lighting must use amber bulbs to not disturb the sea turtles. If you need a new amber bulb please feel free to stop by our Self-Help Kiosk Mondays and Wednesdays 1300-1600 or Tuesdays 0800-1200. Sea turtle nesting season is from May 1—November 1. If you have any questions or concerns, or for more information, please visit the Florida Fish and Wildlife Commission at MyFWC.com or call *FWC.
