Erin Guynn

Resident Service Specialist

Erin originally went to school for nursing, but fell in love with our residents! Now she's here to stay. She enjoys being able to help each person she works with by knowing the answers to all their questions! She loves helping new residents settle into their home and have their easiest move in ever.

Dear HMC Resident,

On September 11, 2001, almost 21 years ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for the morning shift. They all died heroes. The one thing we can all do is recognize their lives were not lost in vain. I ask you to join me in vowing to "never forget" and to continue living our lives stronger and more unified.

In memory of 9-1-1, Hunt Military Communities and Hunt Heroes Foundation is once again hosting the Patriot Essay Contest. This is open to any child between the ages of 8-18. We are looking to read the personal reflections from children who understand and embrace the importance of patriotism, even though they never experienced the tragedy of 9-1-1. Children wishing to submit their essay can do so at www.huntheroesfoundation.org. Submissions are due no later than September 7th. Winners will be announced on September 9th. As always, thank you for allowing us to serve you.
