

COMMUNITY DIRECTOR UPDATE NOVEMBER 1, 2026

Hurricane Season Reminder

Hurricane season continues through Monday, November 30th. Please keep outdoor items secured and stay alert for community and base weather notifications.

COMMUNITY NEWS

A Season of Gratitude Begins

We're excited for another wonderful month at Patrick Family Housing and look forward to connecting with residents through upcoming events, activities, and community programs.

On **November 11**, we pause to honor and thank the brave men and women who have served in the United States Armed Forces. We are especially grateful to the service members, veterans, and military families who make our community so special. Our offices will be **closed on Wednesday, November 11th**, in observance of Veterans Day.

Thanksgiving Safety Reminder

As you celebrate Thanksgiving, practice safe cooking habits by never leaving food unattended, keeping flammable items away from heat sources, and using caution with grills and turkey fryers. Please also drive carefully and watch for children and pedestrians throughout the community.

Please note: Our offices will be **closed on Thursday, November 26th**, in observance of Thanksgiving.

From all of us at Patrick Family Housing, we wish you and your family a safe, happy, and memorable November filled with gratitude, friendship, and holiday cheer!

Cooler Weather & Your HVAC System

As temperatures begin to cool, you may notice a brief dusty or burning smell the first time you use your heat. This is normal. However, if the odor continues or you notice smoke, turn the system off and contact Maintenance. Submit a work order through the resident portal or contact our office for help.

Traveling for the Holidays?

Please do not turn your A/C system completely off while you're away. Keeping air circulating helps control humidity and prevent moisture buildup inside your home.
