### Maintenance Helpful Tips 321-779-9785/321-613-3810

- Work on the irrigation in Pelican Coast is this weekend. The service provider may have to enter some of the backyards.
- We continue to have an issue with the playground fence in Pelican Coast. The slats are being kicked out. If you see any children kicking or damaging the playground slats please say something or let us know.
- All fenced in backyards need to be mowed and edged. Please keep our community beautiful by complying with the policy.
- All pets are required to be on a leash at all times when outside the home.
- Don't forget if you are deployed bring your orders by one of our offices and we will take care of the mowing for your family (fenced in backyards). It's important that you clean up after your pets or the landscapers will not mow the area.
