Hunt Update 2017

- **Yard of the month is back!!** The 2nd Wednesday of each month we will drive the property and select the winner. \$25.00 could be yours!
- **Patrick Family Housing Staff Meeting** - Just a reminder that our Staff meetings are on Thursdays from 11:30 – 1:30 and our offices are closed during that time.
- **Turtle Season** – May 1 to Oct 31.
Sea turtles use the reflected moonlight off the ocean waves to guide them to the sea immediately after hatching. All other artificial lights that aren't "turtle friendly" can potentially confuse/disorient sea turtles and put their survival at risk! Here are a few rules that you must implement to comply with the Federal Endangered Species Act and Florida's Marine Turtle Protection Act.

All exterior lighting on your home must be extinguished from **DUSK TILL DAWN**

All window blinds and/or curtains must be closed from **DUSK TILL DAWN**

Outdoor fires are NOT permitted (i.e. patio fire pits, tiki torches, etc.)

While on the beach- Do NOT use flashlights or fishing lanterns.

Do NOT approach an adult turtle
