Hunt Update 2018

New Year begins - It is a time to make a resolution, new innovations, make plans to bring our Community together, make small changes, cook healthier meals, get fit, determine reachable goals and seek assistance where needed.

Maintenance Tips 321-779-9785/321-613-3810

Once the holiday clutter is cleared away, are you determined to do a bit of organizing? Here are a few suggestions:

Embrace the lowly clothespin-in addition to clipping chip bags, use to secure charger cords (use a marker to write what the cord is for on the clothespin). Wind embroidery floss around a clothespin-you can add the color code on the clothespin or simply corral your kid's friendship bracelet production mess.

Use narrow baskets to store snack items in cupboards. Kids can see what's available and you won't waste space with a giant granola bar box holding a single snack.

Store hair ties on a carabiner clip labeled with the owner's name.

Install a tension rod under the sink and hang spray bottles from their handles. Use a hanging shoe shelf in front closet to hold gloves, hats, pet leashes and flash lights.
